## Contents Volume 132, 2000

<i>Editorial</i> . . . . .	v
----------------------------	---

Suggestions for researching and publishing regional stratigraphic research A. D. Miall . . . . .	1
---	---

### *Research papers*

Growth and destruction of Bathonian silica nodules in the Western Pyrenees (France) V. James, J. Canerot, A. Meyer and J.-J. Biteau . . . . .	5
Quantitative analysis of reservoir rocks by microfocus X-ray computerised tomography M. Van Geet, R. Swennen and M. Wevers . . . . .	25
Fe–Mn-encrusted “Kamenitza” and associated features in the Jurassic of Monte Kumeta (Sicily): subaerial and/or submarine dissolution? P. Di Stefano and A. Mindszenty . . . . .	37
Aeolian sediments in lower to middle (?) Triassic rocks of central Wyoming A. P. Irmel and C. F. Vondra . . . . .	69
Upper Cretaceous ramp limestones from the Sorrento Peninsula (southern Apennines, Italy): micro- and macrofossil associations and their significance in the depositional sequences G. Carannante, D. Ruberti and M. Sirna . . . . .	89
Trench-sedimentation versus accreted submarine fan—an approach to regional-scale facies analysis in a Mesozoic accretionary complex: “Torlesse” terrane, northeastern North Island, New Zealand A. Leverenz . . . . .	125

### *Book Reviews*

<i>ExpressSed</i> . . . . .	161
Beach cement: incipient CaCO <sub>3</sub> -cemented beachrock development in the upper intertidal zone, North Uist, Scotland D. Kneale and H. A. Viles . . . . .	165
Microbial infestation: a pathway of fluorine enrichment in bone apatite fragments (Negev phosphorites, Israel) D. Soudry and Y. Nathan . . . . .	171

### *Research Papers*

Stratigraphical and lateral distribution of sedimentary organic matter in Upper Jurassic carbonates of SE France L. Bombardiere and G. E. Gorin . . . . .	177
Superb exposure of a channel, levee and overbank complex in an ancient deep-water slope environment B. T. Cronin, A. Hurst, H. Celik and I. Türkmen . . . . .	205
Small-scale cyclicity in alpine proglacial fluvial sedimentation G. H. Sambrook Smith . . . . .	217
Sedimentology and progressive tectonic unconformities of the sheetflood-dominated Hell’s Gate alluvial fan, Death Valley, California T. C. Blair . . . . .	233

Palaeoenvironmental and diagenetic control of the mineralogy of Upper Cretaceous–Lower Tertiary deposits of the Central Palaeo–Andean basin of Bolivia (Potosí area) J. F. Deconinck, M. M. Blanc-Valleron, J. M. Rouchy, G. CamoinD. Badaut-Trauth . . . . .	263
Author Index, Volume 132, 2000 . . . . .	279
Contents, Volume 132, 2000 . . . . .	281
